SUBJECT : **EXTENSION OF ACCREDITATION VALIDITY AND LIFTING OF THE STATUS QUO FOR RENEWAL APPLICATIONS OF DRIVING SCHOOLS, DRIVING SCHOOL INSTRUCTORS, MEDICAL CLINICS, AND PHYSICIANS**

DATE : 06 April 2026

Pursuant to the mandate of the Land Transportation Office (LTO) to ensure the continuous, efficient, and orderly delivery of public services, and in view of the ongoing comprehensive review and rationalization of accreditation policies, Memorandum No. MVL-2026-075 dated 25 February 2026 provisionally extend the validity of accreditations expiring from 01 January 2026 to 31 March 2026 until 15 April 2026. The same issuance likewise authorized a calibrated lifting of the status quo with respect to renewal applications of Driving Schools (DS), Driving School Instructors (DSIs), Medical Clinics (MCs), and Physicians whose accreditations expired from 01 July 2025 to 31 December 2025, in order to avert disruption in the delivery of essential driver education and medical certification services.

Consistent therewith, and to forestall service interruption, mitigate operational delays, and arrest the accumulation of accreditation backlogs pending final policy issuance, the following interim regulatory measures are hereby adopted, effective immediately:

I. LIFTING OF THE STATUS QUO FOR RENEWAL APPLICATIONS

The status quo imposed under Memorandum No. MVL-2025-017 is hereby **partially lifted**, strictly confined to **renewal applications** of DS, DSIs, MCs, and Physicians whose accreditations have expired or will expire from **01 January 2026 to 31 May 2026**.

1. Renewal applications shall be filed with the CAC-DSMC, through the Head of the Cluster Monitoring and Inspection Team (MIT), using the prescribed Renewal Application Forms, within seven (7) working days from issuance of this Memorandum.

2. Only applications that are complete in form and substance, supported by all required documentary submissions and proof of payment of prescribed fees, shall be accepted for processing. Incomplete or deficient applications shall not be accepted for processing.

3. Upon receipt of a complete application, the requisite renewal inspection – either onsite or through duly authorized remote modalities – shall be conducted in accordance with the following schedule:

4. Any deficiency or non-compliance identified during evaluation or inspection shall be formally communicated through a written Notice of Deficiencies, specifying all findings as reflected in the Inspection Report.

5. The applicant shall have a non-extendible period of ten (10) calendar days from receipt of notice within which to rectify all deficiencies and submit proof of compliance.

6. Failure to comply within the prescribed period shall result in disapproval of the renewal application and automatic deactivation of the accreditation in the LTMS Driving School Portal.

7. Upon timely submission of proof of compliance, a follow-up inspection shall be conducted within three (3) working days, either onsite or through authorized remote modalities.

8. Continued non-compliance upon reinspection shall warrant final denial of the renewal application.

9. **Provisional Validity Pending Final Action:** Any DS, DSI, MC, and Physician that has timely filed a complete renewal application within the prescribed period, and whose accreditation has lapsed through no fault or omission attributable to it, shall not be subject to automatic deactivation in the LTMS while the renewal application remains under evaluation.
